- Design System

## Experience

### Deligence Technologies Inc.

Jan 2024 - Present

#### Senior User Experience Designer

- Spearheaded the redesign of a leading educational gaming platform, transforming its user interface and interaction design to drive a **20% increase in engagement and a 15% reduction in user drop-offs**.
- Conducted comprehensive user research, including persona creation, usability testing, and A/B testing, to inform data-driven design decisions.
- Designed intuitive wireframes, high-fidelity prototypes, and design system to elevate the product experience.
- Partnered with cross-functional teams - including product managers, developers, and marketing - to ensure seamless integration of user feedback into iterative design improvements, **leading to a 30% boost in user satisfaction scores**.

### RPATech

Oct 2020 - Jan 2024

#### Visual Interaction Designer

- Developed engaging visual content for top-rated online courses, **resulting in a 40% increase in course enrollment** on platforms like Coursera and Udemy.
- As a Visual Interaction Designer, I crafted user interfaces and experiences for our Robotic Process Automation (RPA) projects.
- Enhanced learning experiences through collaborative stakeholder engagement and effective design solutions.
