Summary

As a User Experience Designer, I merge creativity with technical expertise to craft engaging designs, leading numerous projects that boost user satisfaction by an average of 30%. My collaborative efforts with 100+ professionals yield innovative designs that resonate deeply with users, reflecting a commitment to excellence in user experience.

Experience

Senior User Experience Designer
Deligence Technologies Inc. | Jan 2024 – Present

- As a Senior User Experience Designer, I revamped a leading educational game's interface and interaction design, **increasing user engagement by 20%, and reduced user drop-off rates by 15%**.
- My tasks include designing wireframes, prototypes, user research and user flows to enhance the overall user experience.
- Collaborated with cross-functional teams to integrate user feedback into design iterations, resulting in a user satisfaction score increase of 30%.

Visual Interaction Designer
RPATech, Gurugram | Oct 2020 - January 2024

- As a Visual Interaction Designer, I developed engaging visual content for top-rated online courses, **resulting in a 40% increase in course enrollment** on platforms like Coursera and Udemy.
- Crafted user interfaces and experiences for our Robotic Process Automation (RPA) projects.
- Enhanced learning experiences through collaborative stakeholder engagement and effective design solutions.
